International Field Study

This intensive 10-day study abroad component of our MBA curriculum is an action-oriented immersive experience that is included with your program tuition! During past study abroad trips, students have traveled to Zurich, London, Frankfurt, and Paris. This intensive is designed to provide a chance to work collaboratively in a pan-cultural environment and to better understand the factors to consider when creating an international strategy for an organization or business.

Real-World Skills You'll Learn in this Program

- How to apply business operations skills and management to healthcare organizations.
- Broaden your knowledge of the field of entrepreneurship and/or "intrapreneurship" (an entrepreneur working within a large organization) and develop the skills needed for a successful career as an entrepreneur or in a corporate business environment.
- Gain hands-on experience and practical knowledge through Constructive Action, which is a workable plan you will develop and implement as part of the program.
- Leverage networking opportunities with faculty, alumni and other business leaders.

This Degree is Practical

Graduates of our MBA in Health Services and Risk Management program have the knowledge base to sit for the Certified Associate in Health Information and Management Systems (CAHIMS) and Certified Associate/Professional in Health Information and Management Systems (CPHIMS) certifications.

Be ready for any number of careers in today's in-demand healthcare environment.

Workshops to prepared for the CAHIMS and CPHIMS certification exams are conducted onsite each semester.

WHAT MAKES MCNY DIFFERENT?

Founded in 1964 by educational visionary and activist Audrey Cohen, more than 12,000 alumni have earned degrees from Metropolitan College of New York. Our unique Purpose-Centered Education model helps you learn better by blending theory, and real-world practice, all within the lens of social justice.

MCNY is an accredited, not-for-profit college, with two campuses, one located in lower Manhattan and another in The Bronx. In addition to providing professional development opportunities, our undergraduate and graduate programs are offered through three schools: the Audrey Cohen School for Human Services and Education, the School for Business, and the School for Public Affairs and Administration.
